

Year 3 Autumn 2022 Beliefs through Time

Places you may like to visit linked to our topic:

- Stonehenge
- Dorset – Jurassic Coast to do fossil hunting
- St Pauls Cathedral – to see beliefs shown through stained glass windows
- Central Mosque or the New Cambridge Mosque
- National History Museum

What can you do to support your child at home?

Find out about two different belief systems and see how they compare. What is similar and what is different?

In Year 3 we start our History topic on Beliefs and discuss with pupils that these are the beliefs represented by some people in our society in the past and present. However, your beliefs and background may have a different view. We encourage showing mutual respect and tolerance of each others views.
