

## **Year 5 Autumn 2022 Theme: NORTH/SOUTH DIVIDE**

Next Autumn we will begin exploring the physical and human characteristics of the USA, including the ways that people are divided by economic factors, race and education. We will also develop map skills with longitude and latitude, as well as widening geographical vocabulary.

Our Stunning Start day will introduce the theme with a visitor to raise excitement and introduce the history and culture of the USA. Then children will make artistic maps using a range of resources.

In Autumn 2 we will study the American novel 'Holes' by Louis Sachar. This searing story includes themes of race and crime and punishment.
